FROM THE OWNERS

LANCE MILLER, BILL MILLER, JR.,
BILL MILLER III

Thank you for choosing to spend your weekend with us. It is because of you that we are able to continue producing world-class automotive events for 45+ years. We hope you have a great experience!

FROM THE EVENT MANAGER

Don't lower your expectations and put down your M&M's! If the truck clubs and individuals pre-registered for this event are any indication, we should be exceeding limits this year! This weekend you will see sky high rides and old body style trucks along with addicted truck enthusiasts. Look for participants talking Titans, by Nissan and an array of diverse rides from full size Chevys to Mopars Xactly as their owners' altered dreams envision them. As long as we don't see a syclone or typhoon this weekend, that could put a Hawaiian snow plow team to work around your street sleds, the big dogs will be out. Look for a fine line up of big trucks south of Vanarama VIII's Thunderdome gathering as well as an historical display of antique trucks that would make any ten nations or society proud!

To compliment all this, we have put together a number of featured vehicles, entertainment, activities and stunt shows exhibiting a little bit of abnormal behavior sure to entertain anyone from crotchety ole' guys to misfits to old fire fighters farting around in Building T with fire trucks. Check out our event highlights on pages 8-10 or download the Carlisle Events app for more information on Monster Truck Shows, Freestyle Motocross and Mountain Bike Stunt Shows, Live Music, Truck Contests and much more.

All of this happens with the support of our sponsors. Special thanks to our friends and neighbors at A&A Auto Stores for presenting this event. Look for them on Row S where they are doing on-site installations of exhaust systems and more. Joining our Official Season Partners for this event are Extang Tonneau Covers, Ranch Hand Bumpers and American Force Wheels along with a number of new vendors on our Manufacturers Midway. Triple your fun by visiting our vendor aisles to scout around for diamonds and deals on 4 wheels or automotive parts, products and more. If trucks are truly a passion for you, the trucking industry is looking to employ and the pay looks good. Find out from the recruiters in the Big Rig area if you can make your passion for trucks a profession.

Whether you walk or wheel it around the event, we hope you never say that you and/or your crew are not satisfied with your experience at the Carlisle Truck Nationals! Surf's Up, so enjoy your weekend and honk your horn for the Purple Helmet crew at Gate 3.

THEIR OIL

AMSOIL

Testing conducted in an independent laboratory using AMSOIL Signature Series 5W-30 Synthetic Motor Oil against a leading brand 5W-30 synthetic-blend motor oil in Ford® F-150 trucks with 3.5L twin-turbo engines.

To demonstrate, an independent lab put AMSOIL synthetic motor oil head-to-head against a leading competitor in a 100,000-mile test. Russ Mason worked for Carlisle Events for 13 years, having started in 2006 at the tender age of 22. During his tenure, he's literally done everything possible. Professionally, he was the facilities assistant, but to us all, he was much more than that. Russ was a welder, electrician, builder, voice of reason, authority figure, TV star and more. If he wasn't helping current director Scott Amig or former director Tim Bowman around the shop and

the grounds, he was wrenching something for his own doings.

Russ has been featured on TV multiple times, including in 2016 when *Velocity* (now *Motor Trend*) brought builder and host Bryan Fuller here to take on Russ and his buddies for a show called *Swap Meet Showdown*. In addition, Russ has been our resident Slim Jim expert, popping countless locks of cars.

On Saturday, as you settle in for the burnout contest, keep in mind that Russ has kept this contest going. He has the ears and eyes to know when things are right or wrong with a vehicle in the pit. He's doused many fires in the pit, kicked a few people out and helped push battered and broken machines away.

Personally Russ is a husband, and, father of two

girls. He and his wife recently purchased property in York County, where he's been working on building a shop for his wrenching fun to continue. He's also started to write the next chapter of his life. With good friend Cody McCoy, they have started an HVAC company. It's all together possible that Carlisle Events was their first client, having replaced one of our HVAC units last year.

"Russ has been a staple in the maintenance department for Carlisle for a long time," noted Facilities Director Scott Amig. "He can fix anything and was a go-to guy with any issues we had. He will be missed from a personal and work standpoint. We wish him the best in his new endeavour."

Thank you Russ, you will be missed and we wish you the best!

A&A Auto Stores started as a family business in 1958. Over sixty years later, A&A Auto Stores continues to be a leader in the aftermarket auto parts industry. With 18 locations in Eastern and Central Pennsylvania, A&A Auto is showing no signs of slowing down. In 2018, A&A Auto Stores opened a retail location and install shop at 1053 Harrisburg Pike, less than a mile from the Carlisle fairgrounds.

A&A has become a household name within the Carlisle Event community as 2019 will mark our 20th year of participating. A&A's Show footprint continues to grow each year. A&A Auto Stores is the Official Performance Parts Installer for Carlisle Events. A&A offers FREE installations of exhaust systems at all of Carlisle's car and truck show events from leading brands like: Magnaflow, Borla, Corsa, Flowmaster, Billy Boat and Kooks.

In addition, A&A brings a wide variety of automotive products, accessories and expert knowledge to each Carlisle event including a comprehensive product line of truck and off-road performance parts from suppliers like Extang, Trail FX, K&N, AFE, Volant, American Car Craft, Edelbrock, and Titan Lifts just to name a few.

A&A Auto Stores is also the Presenting Sponsor of Truck Nationals, which fits perfectly into our mission of providing the biggest selection of aftermarket accessories and OEM parts to truck owners in the industry. We are enthusiasts too and take tremendous satisfaction in knowing that A&A is in the position to get them what they need regardless of what make or model truck they own. A&A Auto Stores will be offering exhaust installations and more on the

Manufacturer's Midway at Carlisle Ford, Chevrolet, Chrysler, and Truck Events through Corvettes at Carlisle, August 22- 25.

means something and it's who we are. It began when our values and integrity met bold engineering excellence. A product that is so well designed, and built to such demanding exact standards, that it performs beyond the truck owner's highest expectations. Engineering is at the heart of why Extang is the number one selling truck bed cover brand in North America. Extang holds more patents than any other truck accessories company. We've perfected nearly every aspect of the truck bed cover and we refuse to leave well enough alone! Extang was first to introduce many of the styles and features evident in the truck bed cover market today. Since 1982, Extang continues to lead the industry with innovation, quality products, our Maximum Strength warranties and the best customer support. Every product we offer is built with pride in Ann Arbor, Michigan. In March of 2007 Extang joined the Truck Hero, Inc. family of brands, a market leading company known for its quality and breadth of product lines, engineering, and innovation.

WHEN YOU TUCK HER IN, DO YOU SING HER A LULLABY?

To say that she's special is to state the obvious. Some people might call you obsessive. Or misguided. Or foolish. Some people have never driven a truck in their lives. The truth is, you were overjoyed when she became yours. And years later your feelings for her have only grown. So, when you turn off the light and close the door, we'll understand if you linger for a moment before you say goodnight.
